Dependability

We realise that each of our Brokers have unique challenges.

Being committed to the success of your business, we know how important it is that we understand your needs. Which is why, through our **Broker Service Charter**, we give you the right to be heard by a caring and professional broker consultant. You can be confident that you'll always deal with a consultant who understands your specific needs.

This is just one of the promises we make in our unique Broker Service Charter. Every time we don't deliver on a promise to you, we will pay you a **R250 penalty fee**.

Call us today on 0800 1000 11 for a tailor-made insurance quote.

For more information and a complete list of our Broker Service Charter promises, visit www.agbroker.co.za
